STEP 6 CUSTOMER AGREEMENT/SIGNATURE

The undersigned does hereby certify that: The undersigned, and not Laclede or MGE, is solely responsible for the accuracy of the information contained in this application and acknowledges that nothing contained in this application shall impose any liability on Laclede or MGE for the work performed for this program by the vendor. All rules and Terms and Conditions of this Laclede and MGE program have been followed.

Laclede/MGE Customer Signature: _____ Date: _____

TERMS AND CONDITIONS

This program offers financial incentives for the purchase and installation of eligible high-efficiency natural gas equipment and services. Applications will be processed on a first-come, first-served basis. The program will end when the budget is depleted. Funds are limited. To qualify for rebates, an applicant must meet the following eligibility requirements:

- Applicant must be a current Laclede or MGE commercial or industrial customer.
- Effective May, 1 2015, customers may receive standard and/or custom program rebates up to \$100,000 per program year.
- To be eligible for a Non-profit rebate, customer must be defined as a government agency, public school district, or other entity that demonstrates qualifications as a 501(c) (3) charity or benevolent corporation as defined by RSMo 352.010.
- Customer information must be completely filled out on application. Submittal of an application does not guarantee rebate eligibility.
- Standard applications do not require pre-approval, but in all cases invoices, receipts or other proof-of-payment must be submitted immediately upon the completion of a project. Rebate payments will not be issued until receipt of final proof-of-payment. A program year begins October 1 and ends September 30 each year. All applications and invoices for projects completed during the previous Program Year must be received no later than October 31.
- This application is subject to program rules, and to regulatory rules and orders. Laclede Gas and MGE reserve the right to change any portion of this program or to end this program without notice.
- All purchased and installed equipment must be new. Refurbished or homemade systems are not eligible. Where applicable, energy efficiency ratings must comply with those listed in the Air-Conditioning, Heating, and Refrigeration Institute (AHRI) Directory.

TAX INFORMATION

Rebates may be subject to federal and/or state income tax reporting. Applicant is responsible for contacting a qualified tax advisor to determine tax liability. Laclede and MGE are not responsible for any tax consequences of the rebate program.

DISCLAIMER

Laclede and MGE does not guarantee that installation of equipment qualifying for rebates will result in reduced energy usage or demand, or in cost savings. The Customer will indemnify and hold harmless Laclede and MGE and its officers, directors, shareholders, agents, employees and representatives from all claims, liabilities, fines, interest, costs, expenses and damages incurred by the Customer, and for any damage, injury, death, loss or destruction of any kind to persons or property, arising out of or related to this program or in any way associated with the equipment and services that are the subject of this program.
